

Flipped Classroom Curriculum – Studioitalia

Students: A1 level students with some knowledge of Italian already acquired.

Type of course: We use this curriculum in an Intensive course class (five days per week)

Skills involved: in the *outside-the-class* moment we worked especially in order to strengthen listening and reading skills giving information about words, grammar and communicative situations on which they will work in class.

In the *in-class* moment we worked more involving speaking, pronunciation and interaction skills.

Duration: from Monday, December 7th to Friday, January 15th.

Tools: Tackk, Prezi, Educaplay, Quizlet, Socrative, Kahoot, Soundcloud, Google.
